

Bike To The End For A Friend

September 2012

Dear Friend:

“Everyone deserves to know that people care”
John J. Perkins Jr.

Bike ride to the end for a friend was born to build and raise a sense of community and caring. For the last eleven years, Bike to the end for a friend has raised thousands of dollars and presented it to local families that are in need of some assistance. Whether it be a loss of a job, a sick parent or a child, we have tried to ease the burden for that person or family and let them know that their will always be people like us who care.

The fund raising bike ride to Montauk takes place on **Saturday, September 8th**. The ride commences in Islip and will proceed along Montauk Hwy almost 90 miles until Montauk. Any donation that you could provide would greatly be appreciated and enthusiastically received.

You cannot place a value on how important a sense of community is. However, a donation from your establishment will help us with our endeavor to make a big difference in the lives of these people.

If you have any questions, please call me at (631) 650-1692. Thank you in advance for your consideration.

Best Regards,

John J. Perkins Jr.
